DWA_04.3 Knowledge Check_DWA4

_____

1. Select three rules from the Airbnb Style Guide that you find **useful** and explain why.
=Consistent Indentation and Formatting:
Maintaining consistent indentation and code formatting makes your codebase more readable and reduces the chances of errors caused by misinterpretation.

=Meaningful Variable and Function Names:
 Choosing descriptive and meaningful names for variables, functions, classes, and other code entities enhances the readability of your code.

=Limit Line Length and Avoid Deep Nesting:
Keeping lines of code reasonably short (typically around 80-120 characters) helps prevent horizontal scrolling and makes the code more readable in various environments.

_____

2. Select three rules from the Airbnb Style Guide that you find **confusing** and explain why.
